

EXERCISE 1 Worksheet

Task 1

Who outside or inside the church might be a good consultant to assist with the project? Do you know an outside editor? Videographer? Sound engineer? These contacts will be valuable to lean on when you need to solve a problem. Plus, it broadens the circle outside of the church. *Write names that come to mind in the appropriate circles below.*

Task 2

Contact your dream team, preferably in person, as opposed to email or the phone. Let them hear your passion about the ministry. (Do not rely on a general parish announcement. You might get nothing in return, or people with gifts best suited for other ministries. Chemistry is key for a successful video production team.)
